## Charging

This toy comes partially charged. You may choose to fully charge prior to first use. Unscrew the looped tip from the slim long base. Screw the charging cord cable securely into the slim base and connect the other end of the charging cord cable to the USB port of your computer or other power source.

The indicator light will glow red when charging and become green when fully charged. Unplug both ends of the charging cord when the light remains on (solid) and fully charged. There is no danger of battery damage from overcharging. We do, however, recommend not to charge for long, extended periods of time. Screw the looped tip back onto the slim base.

We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Charge time: 1.5 hours, Run time low speed: 60 minutes, Run time high speed: 40 minutes.
