## Charging

Toy: Charge completely before first use. Connect the USB cable into the USB port of your computer or other power source. Align the magnetic dots of the charge cord to the magnetic dots at the base of the toy. The power button will flash when charging and remain solid once fully charged.

There is no danger of battery damage by overcharging, but its recommended not to overcharge for long periods of time. Battery life depends on frequency and speed of use. We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Charge time: 2.5 hours

Run time: 2.0 hours

**Insert or replace remote battery.** Use a small coin and insert in the slot to twist off circular battery compartment top (counterclockwise) as shown by the unlock symbol. Insert the battery or remove the old battery and slip new battery + side up into compartment. Replace cover and twist to seal (clockwise).

## Cleaning

Always clean product before every use, and clean after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

## Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer SKU 5701. Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

**To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:**

Remove battery before storing the remote

Do not store products near extreme cold or heat. Store in a cool, dry location.

Store products separately as different materials may react with each other.

Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

**Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.**

## Operating

**Operating:** The toy must be turned on with the button at the base of the toy. Once the toy is on, it can be operated with the same power button or with the remote control.

**To operate the toy without remote:** Press and hold the power button at the base of the toy for 3 seconds to turn the plug on. The toy will light, and enter standby mode. Tap the power button to cycle through the 10 vibrations. To turn off the toy, press and hold the power button for 3 seconds.

**To operate with the remote:** Press and hold the power button at the base of the toy for 3 seconds to initiate standby mode. Press and hold the remote power button on the remote for 3 seconds to turn it on. Tap the remote power button to cycle through the toy's 10 vibrations. Press and hold the power button for 3 seconds to turn off the remote.

**Note:** Be sure to press and hold both the remote and toy power buttons for 3 second to turn off both units prior to storing.

**ANAL PLAY NOTE:** The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact that gentle probing of the anus can bring every adult intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!
